<p align="center">Responsible College Division/Department</p> <p>Strategy</p>	<p align="center">Responsible College Manager Title</p> <p>Vice President of Strategic Development</p>	
<p align="center">Policy Statement</p> <p>The evaluation of all academic and occupational programs and courses shall occur in accordance with Wisconsin Technical College System policies and the Higher Learning Commission’s standards. The College shall also require periodic evaluation of courses and educational services.</p> <p>Evaluation is measuring the quality of instruction through analysis of relevant, objective data. Such evaluations are integrated into the decision-making processes so the college can continue to develop and maintain quality education. A variety of approaches and procedures will be used by Lakeshore for internal evaluation.</p> <p>Program evaluation results will be reported as appropriate to the Lakeshore District Board, President, deans, instructors, and stakeholders to be used for the improvement of instructional program and services.</p>		
<p align="center">Reason for Policy</p> <p>The College has the responsibility to provide the highest quality educational offerings in an economical manner.</p>
