Jess Duzeski is an independent presenter. She is not affiliated with any organization. This presentation is inspired by Dr. Greg Lester's trainings on Personality Disorders and has no affiliation with Dr. Greg Lester or any organization he is affiliated with. The presentation is based on Duzeski's knowledge, professional/personal experiences, and overall passion for people with an inability to self-reflect. The intention of her presentation is to encourage continual discussion on what equity looks like in various environments throughout the community for people with "one track"/lack self-reflection. Duzeski is hopeful overtime this discussion could create a systemic change throughout the justice system and increase people's overall quality of life.

With that being said, Jess encourages the use of the resources given as Jess Duzeski is **not** a valid resource herself.

Thank you.
