

# Achieving the Dream™

**VISION** All LTC students will master occupational and core employability skills through engaging, inclusive and quality instruction. Every LTC student will receive equitable and meaningful academic, career, and personal support, empowering them to achieve their educational, work, and life goals.

## Guided Pathways

Implementing best practices to assist students from pipeline through graduation

## Onboarding

Early engagement of students through College Orientation Programs

## Proactive Advising & Support Systems

Implementing advising models that are inclusive and consistent

## Student Referral

Institutionalizing student referral systems to impact student success

**STUDENT  
SUCCESS**
