
The purpose of this document is to provide information pertaining to the Technical Standards representative of those found in the profession.

Please note that you are provided with the opportunity to individually discuss these technical standards with an Advisor or other college representative. Accommodations are available for students with documented disabilities through the Accommodation Services Office. For more information related to the accommodations process, please visit: [http://www.gotoltc.edu/as](http://www.gotoltc.edu/as)

In order to determine eligibility and to receive services, students must submit documentation. In general, documentation should be from within five (5) years of the date of request for services or admission to Lakeshore Technical College. An Individual Education Plan (IEP) alone will not necessarily be sufficient documentation for determining eligibility, depending upon the IEP content and identified disability. Documentation must include:

- Diagnosis and resulting limitations as determined by a qualified professional
- Limitations significantly limit at least one major life activity in an educational setting
  - Ex: mobility, vision, hearing, seeing, learning, etc.

A request for accommodation(s) should be made as soon as possible.
Students enrolled in the Wind Energy Program should be able to meet the established technical standards identified below. The technical standards for the Wind Energy Program are reflective of those found in the Wind Energy profession.

- Ability to detect equipment displays, and environmental hazards
- Ability to move or transport objects up to 50 pounds
  - Potentially climbing over 100 feet multiple times a day, in the field
- Maintain an unequipped body weight of 100 to 275 pounds
- Students must have sufficient sensory (auditory, visual, smell, tactile) ability
  - Ex:
    - Detect auditory differences in relationship to mechanical diagnostics
