

BACKGROUND INFORMATION DISCLOSURE INFORMATION

Overview: The Wisconsin Caregiver Program responds to the potential for physical, emotional and financial abuse of vulnerable citizens by persons who are entrusted to provide care. The Caregiver Law is intended to protect persons from physical harm and misappropriation of property. The Lakeshore Technical College District is subject to the requirements of the Wisconsin Caregiver Program. In addition, the Lakeshore Technical College District has a public interest obligation to assure that all students, engaged in clinical practice and law enforcement tactical programs, may be safely permitted to have contact with patients and children in a caregiver role, as well as contact with tactical equipment.

Sections 48.685 and 50.065 of the Wisconsin Statutes require all students to complete a background check before participating in a clinical or practicum requirement that involves contact with patients or children in a caregiver role. A background check is also required for law enforcement employment certification, admission to the Law Enforcement Academy, and as a pre-condition to forms of tactical training. In conformance with applicable law, the Lakeshore College District will collaborate with local health care, child care and law enforcement agencies to closely examine the results of background information disclosures. Pending charges and convictions may disqualify students from specific course work and programs for the reasons set forth above.

Section A.1. of the Background Information Disclosure form requires you to disclose all pending charges and convictions. This includes pending charges, as well as conviction of a felony, misdemeanor or municipal ordinance violation, in any court, including all military courts, or a tribal court.

If you are uncertain as to whether a pending charge or conviction is covered, disclose it. Convictions and pending charges are reviewed on an individual basis with respect to impact upon admission to particular programs. Failure to disclose a charge or conviction will prevent program admission or result in dismissal proceedings, as appropriate, subject to program requirements. All convictions and pending charges are examined, with final decisions based on the specific nature and circumstances of each charge or conviction, and the correlation to clinical, practicum, and tactical programs.

- Procedure:**
1. Students are required to complete the Background Information Disclosure form. A Self-Reporting Requirement form is also completed with a copy retained by the student.
 2. **A processing fee of \$16, payable to Lakeshore Technical College must accompany the forms.** Processing will not be completed without the fee. Forms must be returned within ten calendar days. Social security number must be provided in order to process.
 3. The forms are transmitted and processed with the Department of Justice Crime Information Bureau and the Department of Health Services, as applicable, to identify or confirm the existence or absence of a record of previous conviction(s) or pending charges. In addition, the Wisconsin Circuit Court database <http://wcca.wicourts.gov> is accessed to identify or confirm the existence or absence of a record of previous conviction(s) or pending charges. A check with the Office of Inspector General and the Excluded Parties List System is done as well for anyone going into a health or EMS program area.
 4. If a record of convictions or pending charges exists, Lakeshore Technical College officials will conduct a review in conjunction with area health care facilities and law enforcement agencies, participating in College programs, to make a determination on whether the student may be placed in a clinical or tactical program. If placement is not immediately authorized, alternatives may be identified. Decisions will conform to applicable provisions of the Wisconsin Statutes and Wisconsin Administrative Code, Chapter HFS12.
 5. Students will be afforded an opportunity to respond to admission and placement decisions which are based upon the results of the Background Information Disclosure process.

The completed Background Information Disclosure forms and records may be duplicated and distributed to clinical, tactical and Lakeshore Technical College program officials for the purpose of evaluation and determination of student status.
