# Agriculture

## Growing Your Own Herbs

May 7 R 5:30-7:30 PM  
Plymouth Library #26141 Kate Pearce

Enjoy growing your own herbs and the satisfaction of knowing where your food comes from. Discover the many perennial herbs you can plant to enjoy the harvest year around. Experience hands-on harvesting of common perennial herbs. Recipes and cooking techniques will be shared, and you'll sample a buffet of herb-infused foods.

FEE: \$31.33 SR. FEE: \$24.50 

## Much to do About Seeds

May 7 R 6-8 PM  
LTC Cleveland #26139 Ray Rogers

Explore seeds and fruits found in gardening and everyday life. This class begins with simplifying the essential botany and terminology that form the basis for understanding seed-related horticultural practices. Learn about essential gardening techniques including sowing seeds, raising healthy seedlings, and troubleshooting challenges that might arise. Everyone will take home a starter container. Held on our Environment Campus located south of our main entrance in Cleveland.

FEE: \$16.33 SR. FEE: \$9.50 

## Cacti and Other Succulents: Living Art

Thursday, April 23 • 6-8 PM

LTC Cleveland, Environmental Campus #26140

Experience an introduction to the endlessly fascinating range of sizes, forms, colors, and other qualities of Cacti and other succulents. This class covers the basics as well as finer points that will inspire both beginning and seasoned gardeners to produce living masterpieces. Everyone will take home an individual starter plant. Instructor Ray Rogers shares his horticulture talents as a home and greenhouse gardener, author, speaker, and teacher.

Fee: \$16.33 Sr. Fee: \$9.50

## Prune like a Pro

Mar 26 R 6-9 PM  
LTC Manitowoc #26142 Kelly Bahrs

Mar 31 T 6-9 PM  
LTC Sheboygan #26143 Kelly Bahrs

Learn how pruning promotes a strong tree structure and leads to an aesthetically pleasing and long living tree or shrub. Poor pruning can be costly and lead to early tree removal. Since winter is the best time of the year to prune your woody plants (shrubs, trees and evergreens), spend a night learning the right techniques now.

FEE: \$18.15 SR. FEE: \$4.50 

## INSTRUCTOR HIGHLIGHT

### Ray Rogers

Ray Rogers, who held a trowel before he could walk, began his career in public horticulture. He shares his skills as a gardening author, speaker, and teacher. After retiring as an LTC Horticulture Instructor, he presents his engaging programs wherever the garden path leads. Ray also continues to pursue his horticultural interests as a home and greenhouse gardener and as an amateur hybridizer of Gasteria and Aloe (succulents).

## Business Technology

### Google Drive - Basics

Apr 14 & 21 T 6-9 PM  
LTC Manitowoc #25924 Graig Stone

This class teaches you how to create and use a Google Drive account so you are able to store and access your files and folders anywhere. Also learn the basics of Google Docs which is a free web-based office suite.

FEE: \$18.15 SR. FEE: \$4.50 

### How to Use your Smart Devices- Android

Feb 18 & 25 T 6-9 PM  
LTC Manitowoc #25921 Graig Stone

Learn how to make the most of your Android devices such as a Samsung cell phone, tablet or HTC smart phone. You'll learn operating basics for your device and get your questions answered. Please bring your personal device, power cord, and connection cord.

FEE: \$24.98 SR. FEE: \$4.50 

## It's in the Cloud

Mar 3 T 6-9 PM  
LTC Manitowoc #25922 Graig Stone

Teaches students what cloud technology is, how it works, and if it is something that will work for you. Explore common cloud platforms to determine if cloud computing is something you want and which platform you should pursue. This class provides a basis for those interested in cloud technology but not sure which class to take next (Google Drive, iCloud, or OneDrive).

FEE: \$18.15 SR. FEE: \$4.50 

## Overcoming Workplace Distractions

Mar 24 T 6-8 PM  
LTC Sheboygan #26135 Chris Schatz

May 11 M 6-8 PM  
LTC Sheboygan #26136 Chris Schatz

Between phone calls, emails, and other distractions, do you ever get done what you need to each day? Learn about the multi-tasking myth and the difference between being busy versus productive. The instructor shares real-life examples of how to make your life easier, more productive, less stressful, and distraction-free.

FEE: \$11.33 SR. FEE: \$4.50 

## Your First Steps to Cyber Security

Feb 27 R 6-8 PM  
LTC Manitowoc #26111 Peter Cook

Apr 28 T 6-8 PM  
LTC Sheboygan #26112 Peter Cook

This class will cover passwords, credit card security, ransomware, and much more as an introduction to cyber-security. There will be demonstrations and hand-on participation so bring your personal device and become confident in securing your information.

FEE: \$11.33 SR. FEE: \$4.50 

## Windows 10

Mar 25 & Apr 1 W 6-9 PM  
LTC Manitowoc #25925 Ed Brunette

Build the foundation you need to start using Windows 10. Learn how to find your way around the operating system, start menu, desktop, and system settings. Explore how to customize settings, manage files, create documents using WordPad, protect files, and update Windows 10. Students may bring a Windows 10 laptop to class.

FEE: \$24.98 SR. FEE: \$4.50 

## Life & Leisure

### Basic Home Automation

#### Using Amazon Echo

Mar 16 M 5:30-7:30 PM  
Plymouth Library #26133 David Eckhardt

May 12 T 5:30-7:30 PM  
LTC Sheboygan #26138 David Eckhardt

Learn home automation smart tricks using Amazon Echo- a speaker that connects to your Wi-Fi network and your phone via the Amazon Alexa app. Use an Echo to play music, ask about the weather, get news updates, play a trivia game or even order a pizza. This class will help you get started on your own customized Echo experiences.

FEE: \$14.50

### INSTRUCTOR HIGHLIGHT

#### David Eckhardt

David is a Sheboygan native who has a passion for home automation and technology. As the former owner of Bredon Technologies, he has provided home solutions to residential clients looking to simplify their personal living and business solutions to commercial clients wanting to streamline operations. With over 25 years of experience as a business owner and as a manager for local manufacturers, David enjoys sharing his knowledge to help individuals explore the best options that fit their needs in the areas of home security, cost-effective alternatives to cable TV, home sound systems, and computer technology.

## Beginning Jewelry - Pendant

Apr 27 M 6-8:30 PM  
LTC Sheboygan #26114 Tim Pinkert

Create a beautiful pearl pendant (for yourself or as a gift) using basic tools and simple jewelry techniques including bending, forming, hammering, and finishing. All materials, tools, and a metal clasped leather cord necklace to hang the pendant on are included. Learn from a local artist skilled in design and craftsmanship.

FEE: \$59.50

## Concealed Carry Weapon License Firearm Safety Course new

Mar 3 T 5:30- 9:30pm  
LTC Cleveland #26901 Jason Wilterdink

Mar 21 S 8am- 12pm  
LTC Cleveland #26902 Jason Wilterdink

Apr 14 T 5:30- 9:30pm  
LTC Cleveland #26903 Jason Wilterdink

Learn the basics of firearm safety and Wisconsin requirements and considerations regarding the carry of a concealed weapon. This is a safety course, not a training course. The course teaches how to identify a loaded handgun and how to safely unload it, but not how to load or fire. This class meets the state's education requirements for students to acquire a Wisconsin CCW License/Permit. Additional fees and applications are the responsibility of the student.

FEE: \$18.15 SR. FEE: \$4.50 62+

## Concepts for Improving Your Photography

Apr 14 & 16 T/R 6-9 PM  
LTC Manitowoc #25928 Ed Brunette

Beginner and amateur photographers will learn the basics of still photography. Explore the three basic features of great photographs: light, composition, and interesting subjects. Make better use of aperture, flash, and shutter speed. Bring your charged point-and-shoot or SLR digital camera, manual, charger, and memory cards.

FEE: \$24.98 SR. FEE: \$4.50 62+

## Documents to Make Your Wishes Known

Mar 18 W 6-8 PM  
LTC Manitowoc #26288 Richard Opie

Apr 16 R 5:30-7:30 PM  
Plymouth Library #26861 Richard Opie

It's important to understand the documents that are used to delegate health care and financial decision-making. Learn how to plan for legally documenting final wishes for yourself and family members who might be in your care. An introduction to estate planning will also be addressed. Materials provided will lay the foundation for future discussions with legal, social work, or medical professionals regarding estate planning and end-of-life documents. This class is for informational purposes only and not for providing legal advice.

FEE: \$11.33 SR. FEE: \$4.50 62+

## Home TV/Internet Options

Apr 29 W 5:30-7:30 PM  
LTC Manitowoc #26118 David Eckhardt

Learn which TV services and options best fit your tastes and budget. Whether you bought a streaming stick a few years ago and are wondering if there's something better today, or you're experiencing subscription overload and want to weed something out, this class will help you make sense of your options.

FEE: \$14.50

## INSTRUCTOR HIGHLIGHT

### Terri Barrie

Terri began her design career as a young child, painting signs for her father's business and rearranging spaces in the family home. Painting motorcycle tanks and animation studio cells in college lead to an Art Director position at an advertising agency in Minneapolis. Today, she teaches others how to use the elements and principles of design while still arranging spaces in buildings and on canvas.

## Introduction to Pottery

Feb 25 and  
Mar 3, 10, & 17 T 6-8:30 PM  
Oostburg #26158 Terri Barrie

Enjoy this opportunity to work with clay as an art medium while creating a variety of boxes and vessels. Become familiar with vocabulary, basic construction and decoration methods, and sculptural techniques including slab building, coil and pinch methods. Surface applications such as glazing will also be covered. All materials are supplied.

FEE: \$79.50

## NRA Home Firearm Safety

Apr 18	S	8 AM-12 PM
LTC Cleveland	#26116	Ryan Skabroud
May 6	W	5:30-9:30 PM
LTC Cleveland	#26117	Ryan Skabroud

This NRA, instructor lead certified course for safe gun handling is conducted in the classroom only. Students are taught NRA's three rules for safe gun handling; causes of firearms accidents; firearm parts; how to unload certain action types; ammunition components; cleaning; care; safe storage of firearms in the home; and the benefits of becoming an active participant in the shooting sports. Students will receive NRA materials including a Home Firearm Safety Handbook and a course completion certificate.

FEE: \$28.15 SR. FEE: \$14.50 

## Photography: Digital SLR

Apr 7 & 9	T/R	6-9 PM
LTC Manitowoc	#25927	Ed Brunette

Learn the basics of single-lens reflex camera technology features such as portrait, nighttime lighting, and fading.

FEE: \$31.48 SR. FEE: \$11 

## Poetry Isn't Dead

Apr 6	M	5:30-7:30 PM
Plymouth Library	#26150	Jenna Cornelle

Perhaps it's been dormant or locked away for a while, but poetry isn't dead. If you ever wanted to try writing poetry, this is the class for you. Explore poetry basics and history, as well as the joy of putting words down on paper while going through exercises to ignite your creative side. Geared toward beginners, seasoned poets are also welcome to attend and join in the creative process.

FEE: \$19.50

## Refuse to be a Victim

Monday & Tuesday, April 6 & 7 • 6-8 PM  
LTC Cleveland #26146

Saturday, April 25 • 8 am-12 PM  
LTC Cleveland #26147

Be equipped with the knowledge and skills for personal safety and crime prevention. Learn techniques and tactics to avoid becoming an easy victim so you can live smarter and be safer. Ryan Skabroud, LTC Dean of Energy and Public Safety, is a certified NRA instructor.

Fee: \$22.65 Sr. Fee: \$9.50 

## Staging to Sell Your House

Tuesday, April 21 • 6-8 PM  
LTC Sheboygan #26137

Proven by national statistics, a staged home sells faster and usually for a larger profit. Learn what home staging is and the details on how to achieve a fresh new look for anyone wanting to prepare a home for sale or searching to update the decor in an existing home. To facilitate discussions about your project, bring images of your house. Instructor Terri Barrie, who holds degrees in painting and drawing and art education has been designing beautiful spaces her entire life.

Fee: \$14.50

## Understanding Birth Order

Mar 3	T	6-8 PM
LTC Sheboygan	#26144	Donna Schelfhout
Apr 30	R	5:30-7:30 PM
Plymouth Library	#26168	Donna Schelfhout

Learn how birth order helps shape one's personality and the way in which one approaches the world. Discover more about firstborns, middle children, babies, the only child, and what makes them tick. There are strengths and challenges in each position and understanding these can lead to better relationships, parenting, professional and classroom interactions.

FEE: \$24.50

## Writing Your Own Memoirs

Feb 3, 10, 17, & 24, and		
Mar 2	M	6-8 PM
Oostburg	#26145	Hannah Harder

When we write about our own lives, the story within us comes complete with compelling characters and a great plot. We have everything we need to compose a memoir – except the writing techniques to help us feel confident enough to put it all down on paper. Learn how to write your own unique memoir which can focus on your childhood or your adult years, or one life-changing day.

FEE: \$54.50

## Certifications

### ServSafe Certification

Mar 17, 24, 31 and		
Apr 7	T	6-9 PM
LTC Culinary	#26289	Nathan Meinnert

ServSafe is a food and beverage safety training and certificate program administered by the National Restaurant Association. In this class you will participate in classroom activities, textbook readings, and the testing for food handling certification. Satisfies Wisconsin Statute HSS196.19 (2) (a) requirements. The Department of Health and Human Services filing fee is not included in the class fee.

FEE: \$120.45 SR. FEE: \$79.50
