Responsible College Division/Department President's Office	Responsible College Manager Title Executive Assistant	
Policy Statement		
<p>The safety of our students and staff at LTC is our priority when making a College closing decision. Students and employees may choose not to drive or choose to leave early even when the decision has been made for the College to remain open.</p> <p>Classes at the college will be cancelled only in extreme cases, generally following closing action taken by local school districts. Classes may be cancelled depending on the severity of conditions in a particular community.</p> <p>Students or faculty who are assigned to clinical experience will also follow this policy.</p> <p>Employees who are providing contracted services in business and industry will conform to the emergency regulations of those institutions regardless of any other announcements made concerning the closing of the College.</p> <p>In the event of a situation that is not determined to be sufficient to close the campus, faculty are asked to use good judgement in allowing an absence of a student who feels that their attendance would adversely affect their safety and therefore cause their absence. In these situations, students are expected to catch up missed class material.</p>		
Reason for Policy		
The decision whether or not to close school is never an easy one. The safety of the staff and students at LTC is our top priority.
