

## ABOUT THE PROGRAM

This program is specifically designed for those individuals who have already completed at least 60 accredited college-level credits and wish to gain Wisconsin certification as a law enforcement officer. As a law enforcement officer, you will have the privilege of serving your community and upholding the law. Your training will include: crime prevention, crime investigation, vehicle patrol, defense and arrest tactics, and firearms training. This program includes in-class fitness training and other physical activities incorporated into your training. You will develop these skills through hands-on training and scenario-based field simulations.

## PROGRAM OUTCOMES

- Think critically.
