PROVEN SUCCESS
 At Lakeshore Technical College we are committed to the success of our graduates. This means our relationship with students doesn't end when they graduate. We stay connected with all our graduates and follow up with our most recent graduates six months to one year after graduation. The information they provide confirms we are accomplishing our mission of preparing the workforce, and also serves as a valuable reference tool for students considering their career options.

ABOUT THE DATA

This brochure contains Graduate Outcomes Survey employment-related findings for the Class of 2020 at approximately 6 months after graduation. Via mail and/or phone, 694 graduates were contacted and asked to complete the survey. Out of those, 449 graduates or 65% completed the survey.
