## Congratulations from the President

---

---

Congratulations! On behalf of the Board of Trustees, our faculty, and our staff, we are proud of you. You have shown incredible adaptability and determination during the COVID-19 pandemic. Many of you bravely chose to begin your educational journeys with us during this time. The pandemic challenged all of you to adjust and be persistent in reaching your goals. You inspire all of us at Lakeshore Technical College and we look forward to seeing you achieve great things. As alumni, know we will always be here for you and we will always be cheering you on.

Paul Carlsen, Ph.D., President

## Honor Student Graduate Recognition

---

---

### **Presidential Honors Graduate**

A student who has achieved a program grade point average of 4.0 is recognized by wearing an honor medallion with a white ribbon.

### **Honors Graduate**

A student who has achieved a program grade point average of 3.50–3.99 is recognized by wearing a gold, white, and blue cord.

### **Phi Theta Kappa**

Phi Theta Kappa (PTK) is an international honor society for two-year colleges to honor students who have exemplified outstanding academic credentials. Membership is offered to students who have completed 12 or more associate degree credits, with a 3.50 grade point average or higher. Phi Theta Kappa members wear the PTK gold honor stole.

### **GED/HSED Honors**

Honors are based on the credential. The General Equivalency Development (GED) certificate is earned through a series of exams. Honors are earned by scoring a minimum of 640 points. The High School Equivalency Diploma (HSED) 5.09 is earned through coursework. Honors are earned by achieving a grade point average of 3.70 or higher.

### **Military Service Personnel**

In recognition of military service to the United States of America, students who are honorably discharged U.S. veterans, are currently serving in the U.S. military (active duty, National Guard, or Reserves), or will be commissioned upon graduation, are given the opportunity to wear a red, white, and blue honor cord.

## Our History

Lakeshore Technical College began in 1911 when Wisconsin enacted legislation creating a state system of vocational schools to prepare residents for the competitive labor market. In 1912 and 1913, the current Lakeshore district of the state system began as separate industrial/continuation schools operating in Manitowoc, Two Rivers, and Sheboygan, Wisconsin. In July 1967, the three schools combined, establishing District Eleven of the Lakeshore Vocational, Technical, and Adult Education (VTAE) System. Lakeshore Technical College opened its centrally located main campus in July 1974 in Cleveland. At that time, the district name changed to Lakeshore VTAE District, and the college was known as Lakeshore Technical Institute (LTI). In 1988, LTI changed its name to Lakeshore Technical College to reflect the evolution from basic skills course offerings to technical course offerings in computer and other sophisticated equipment that better met the market need for technical skills training.

In addition to the Cleveland campus, Lakeshore operates two learning sites located in the heart of Sheboygan and Manitowoc, the School of Agriculture located adjacent to the Farm Wisconsin Discovery Center in Newton, and the Plymouth Science and Technology Center at Plymouth High School. Community education courses take place throughout the district, including library sites and high schools in Oostburg and Plymouth.

Lakeshore serves a district that measures approximately 1,200 square miles, covering Manitowoc and Sheboygan Counties as well as parts of Calumet and Ozaukee Counties. The total population of the Lakeshore district is 210,997.

Each year more than 8,000 people enroll in courses at Lakeshore Technical College. They rely on Lakeshore for job preparation, to earn a degree, upgrade a specialized skill, train as an apprentice, or seek a high school equivalency. Faculty and staff meet students where they are in life and help them get one step closer to achieving their goals.

Approximately 800 students graduate from Lakeshore each year. Associate degree graduates earn a median annual salary of \$54,048.

Lakeshore Technical College students help build a strong community, and we are proud to be part of their journey.

To our family & friends,

Thank you for your participation at our graduation celebration. We appreciate the support and encouragement you gave us as we achieved our goals for the future.
