

Forward Your LTC Phone to Another Number

To forward calls received on LTC primary line to another number, follow these steps:

1. Press the **Forward All** softkey.
2. Enter the call forward target phone number exactly as you would dial it from your phone.

Example: 9 920-123-4567

Note: Be sure to dial “9” first, followed by the area code and the phone number.

To verify that your calls are forwarded, look for the “Forward All” icon in the line label, and the forwarding information in the header.

To Cancel Call Forwarding

1. Press Forward Off softkey.
