

STAFF UPDATE FROM PRESIDENT PAUL CARLSEN – April 25, 2020

Team LTC,

This week my daughter, Jovi, and I had a conversation with Terry Koenig, a Manufacturing Management Instructor. Terry showed us his sloth, Enzo, his bearded dragons, and his monkey. I am not being facetious, that is literally what we did for twelve minutes. It was a great time, and I hope you enjoy this little snippet of human and animal interaction!

Thanks, Paul
