

STAFF UPDATE FROM PRESIDENT PAUL CARLSEN – June 18, 2020

Team LTC,

Earlier today I spoke with Jennifer Irish, our Early Childhood Education Instructor. We discussed how she juggles work with two young children at home, how her students handled the spring semester, how she likes to socially distance on her boat, the differences between AirPods and AirPods Pro, why it is OK our kids have a little (or a lot) more screen time right now, and the importance of wearing masks. I hope you enjoy!

Thanks, Paul
