

STUDENT UPDATE FROM VP OF STUDENT SUCCESS POLLY ABTS – March 24, 2020

Hello, LTC Students –

Even though faculty and staff are not on campus, we are available to answer your questions. Please **directly** contact the department or person you are trying to reach and leave a detailed message. Here is a link to LTC Staff Directory - <https://gotoltc.edu/about-us/ltc-staff-directory/staff-directory.php>

For students in classes right now, LTC's Academic Support Services will continue to offer one-to-one help as well as group study sessions but will do so using technology. As always, these services are provided to you free of charge. Below is a list of academic support and tutoring options.
