

STUDENT UPDATE FROM VP OF STUDENT SUCCESS POLLY ABTS – March 26, 2020

Happy Thursday, LTC Students!

We understand online learning might be new to you. See the attached document containing **quick tips for success**.

Get Good Grades: Online Academic Support & Tutoring

Finish strong with your classes by getting the online academic support and tutoring that works for you and your schedule. [Login](#) to the Blackboard site and connect to the following services:

- **Online Study Groups** - Study groups are available for several General Education classes including Psychology, Economics, and Science classes. They also include sessions for English Language support, Word, Excel, PowerPoint and some IT classes. Hours vary.
- **Online Academic Support Lab** – The online lab provides help with an emphasis on Math, Oral/Interpersonal and Written Communication classes. Staff can also review your papers and provide general help on writing assignments, managing your time, studying for tests, and note taking. Hours: Monday-Friday from 10a-1p.
- **In-Depth Help with Blackboard and Computer Skills** – Unsure how to use some of the Blackboard features like posting on a discussion board or navigating your online class, stop into a Technology Support Online session. Hours: Monday-Friday from 8-10a and 1:30-3:30p.
- **Peer Tutoring** – One-on-one tutoring is also available through virtual support via Microsoft Teams. If you would like to request a peer tutor, go to the following link: [CLICK HERE](#). The peer tutor coordinator will contact you to finalize arrangements.
