<p align="center">Policy Statement</p> <p>The Human Resources Department will conduct criminal background checks on all new employees, including student workers. Employment is contingent on the applicant’s completion of Background Information Disclosure (BID) form, the College securing a summary of records of criminal conduct as applicable, and review of this summary by the Vice-President of Human Resources and Talent Development, and other College officials, as needed.</p> <p>The College may conduct criminal background checks on current employees. Current Employees: All employees have an ongoing responsibility during their employment to make the college aware of any felony or misdemeanor convictions or pleas which are acknowledgements of responsibility. Any convictions or pleas should be reported to Human Resources. The college may then conduct a new criminal background check as deemed necessary. Failure to disclose a change in one’s criminal record may be immediate cause for dismissal.</p>
