

*Strong roots. Bright future.*

Lakeside Foods is a premier producer of high-quality food products for the retail, food service, and industrial sectors. Our diverse food products include canned and frozen vegetables, frozen appetizers and seafood, canned meats and pet food, canned beans, whipped toppings and sauces. Our processing facilities meet the highest level of food safety certification.

At the Lakeside Foods Random Lake Agriculture Division our main focus is; providing peas to be frozen at the Random Lake and Reedsburg facilities, providing sweet corn to be frozen into kernel and cob at the Random Lake facility, and providing lima beans to be frozen at the Reedsburg facility and doing this all in the safest and most cost effective manner.

The youth apprentice position for this department will act as a mechanic's assistant. Youth apprentice will have the chance to learn the following:

- Operate harvest equipment (pea combines, corn pickers, tractors with dump carts)
- Utilization of harvest procedures and machine adjustments to maximize crop recovery and quality
- Repair/overhaul equipment as well as preventative maintenance
- Hot work (cutting/grinding, plasma cutting, welding)
- Basic hydraulic repair
- Basic electrical repair
